WEDNESDAY, MARCH 27, 2024 • 8:00 AM - 4:30 PM
THE UNIVERSITY OF SOUTHERN MISSISSIPPI • THAD COCHRAN CENTER

DREAM of Hattiesburg is presenting a one-day summit aimed at empowering college students to make healthy decisions, be resilient, and reach their dreams.

About the Summit

College students are often faced with relentless pressure and decisions that can greatly impact their lives. This summit will bring the university community together to provide information and resources that can make a difference in the lives of college students.

We will hear real-life stories of the impact decisions can make, get facts and information directly from law enforcement and others in the community, and have the opportunity to ask questions. This summit will explore how to make healthy decisions and how the decisions we make today can make a huge difference in our lives and the lives of others.

There will be empowering and informative sessions, hands-on and interactive exhibits, information and resources, door prizes, snacks, and more!

Registration is free for university students, faculty and staff. Pre-registration is required for all. Swag and door prize registration will be available for all who pre-register and attend. Attendees can come and go as schedules allow.
