

Coaches and Friends!

REGISTRATION IS OPEN FOR THE 30-LOVE JUNIOR TENNIS TOURNAMENT!!

DREAM of Hattiesburg, Inc. would like to invite area high school tennis teams and junior tennis players to participate in a junior tournament on February 8, 2020 at the Racquet Club of Hattiesburg.

This is a fun, competitive, high school pre-season/junior charity tournament to help raise money for DREAM of Hattiesburg, Inc. We are a private, non-profit drug, alcohol, tobacco, and suicide prevention agency working with youth and adults in local schools and communities. In addition to prevention education, we strive to promote youth participation in fun, healthy activities without the need for substance use.

This tournament will be a non-sanctioned, non-MSHAA, non-MAIS junior tennis event. We will be playing a modified USTA Fast 4 format. Teams will be made up of 4 boys and 4 girls. Coaches/captains may field more than one 8-player roster. If a school/club cannot field a full 8-person roster, individuals from other schools/clubs may combine to form a complete 8-player roster (4/4). Players are only allowed on one roster. Players can compete in 2 events. Events will be boys singles, boys doubles, girls singles, girls doubles, and mixed doubles.

Registration fee for players is \$25 (limited scholarships available-contact tournament director). Players will receive swag bags and shirts with paid entry. Breakfast, lunch, and hydration will be provided. Prizes will be awarded for 1st, 2nd, and 3rd place teams (8 players per roster).

Players signing up as a team (8 players-4 boys/4 girls) will need a TEAM # when accessing the online registration. TEAM # will be issued to coaches/captains upon receipt of the Team Entry Form (please see attachment). The TEAM # identifies players who will be assigned to a specific 8 player (4 boys/4 girls) school or club roster.

Registration for players (with or without a TEAM #) is now open and can be accessed via Facebook by searching "30-Love" or by accessing our website at www.DreamofHattiesburg.org Remember, team players will need their TEAM # in order to be assigned properly.

We look forward to your participation and hosting a great tournament! Please feel free to contact me with any questions.
